RIDING GROUPS

Compact Octane offers a 4-group format with 20-minute sessions, ensuring a safe and uncrowded track day experience. Please register for the group that best matches your skill level. If you have questions about group placement, contact us at info@compactoctane.com.

Level 1 (Beginner)

- **Skill Level:** New track riders with little to no track experience
- **Focus:** Learning fundamentals, building confidence, and getting comfortable on track
- **Pace:** Slower, controlled environment with structured progression
- **Passing Rules:** *Outside passing only*
- **Additional Support:** Complimentary New Rider Orientation strongly recommended

Level 2 (Novice)

- **Skill Level:** Riders with some track experience
- **Focus:** Improving lines, control, and overall consistency
- **Pace:** Moderate pace with continued skill development
- **Passing Rules:** Inside and outside passing allowed (8' minimum)
- **Additional Support:** Coaching support available
- **Note:** Ideal progression group for riders building confidence and pace

Level 3 (Intermediate)

- **Skill Level:** Riders with solid track experience
- **Focus:** Refining technique, consistency, and pace management
- **Pace:** Faster, consistent pace with predictable riding
- **Passing Rules:** Inside and outside passing allowed (6' minimum)
- **Note:** Not suitable for first-time track riders

Level 4 (Advanced)

- **Skill Level:** Advanced riders and racers
- **Focus:** Precision, speed, and high-level skill development
- **Pace:** Fast, race-level pace
- **Passing Rules:** Inside and outside passing allowed (4' minimum)
- **Additional Support:** Optional access to New Racer School
- **Note:** Not suitable for first-time track riders

Compact Octane staff may adjust your group placement based on your riding ability to ensure safety of you and others.

PREPARATION

Bike Preparation:

Your motorcycle must be properly prepared and pass tech inspection before being allowed on track:

General Condition

- Check for any leaks (oil, fuel, or coolant).
- Ensure all hand and foot controls function smoothly.
- Throttle must snap back to idle when released.

Wheels and Tires

- Tires must have adequate tread depth with no visible damage.
- Wheel weights must be taped.

Brakes

- **Both** brakes **must** be fully functional with sufficient pad thickness.

Drive Chain

- Chain must be properly tensioned and lubricated.

Lights and Mirrors

- All lights and mirrors must be taped or removed

Fuel

- Bring an extra 5-10 Gallons of fuel. Most tracks have on site fuel at a premium price, but its always best to bring your own.

Gear Preparation:

- Full-face helmet (DOT, SNELL, or ECE certified).
- Leather suit (one-piece or zip-together two-piece).
- Gauntlet gloves, boots, and a back protector.
- **Free Alpinestars** loaner gear is available when requested in advance. Please click the loaner gear option when registering for the event online.

Personal Preparation:

- Hydrate before and during the day.
- Pack snacks, lunch, and electrolyte drinks.
- Get plenty of rest the night before.

FLAG SIGNALS

Understanding flag signals ensures safety on the track:

Green Flag: Session in progress; track is clear.

Yellow Flag: Hazard ahead; no passing allowed.

Red Flag: Session stopped; reduce speed and return to the pit.

Black Flag: Mechanical or behavior issue; exit track immediately and see grid marshals.

Checkered Flag: Session over; safely exit the track at the end of the current lap.

PARTNER SERVICES

- **Pirelli Tires:** Compact Octane provides trackside tire services, featuring Pirelli Tires for purchase as well as mounting and balancing services for both new and used tires, regardless of brand. To ensure availability of specific Pirelli models, we recommend pre-ordering during registration, as trackside stock is limited.
- **Motorsport Exotica:**
 - Motorsport Exotica provides trackside support at all Compact Octane events, offering suspension services, general setup, and performance upgrades to keep your bike dialed in throughout the day. They also run the SBS brake pad demo program, giving riders the opportunity to experience real performance on track.
- **Alpinestars:** Our **FREE** Alpinestars loaner gear program is available to any rider, making it easy for first-time riders or those without gear to get on track with suits, boots, and gloves provided.
